Welcome To

2024 NAUEP National Etiquette Conference

It is with great honor and excitement that I welcome you to the NAUEP 2024 National Etiquette Conference. Since its founding in 2009, the National Association of Urban Etiquette Professionals (NAUEP) has worked to support the growth and development of etiquette consultants, program directors, and nonprofit leaders.

My heart continues to flow in the same purpose that it did 15 years ago when I made it a priority to impact underserved communities through excellence. When we meet in Dallas, Texas from October 18-19, 2024, we will celebrate, grow, and connect. It is a pleasure to serve with you. See you in Dallas, Texas in October!

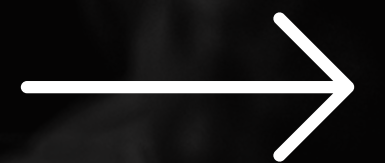

Warmest regards,
Lady Trenette Wilson
